

GAUTAM BUDH BALAK INTER COLLEGE

NEWSLETTER

Principal's Message:

"We want education by which character is formed, strength of mind is increased, the intellect is expanded, and by which one can stand on one's own feet.

-Swami Vivekananda

Gautam Budh Balak Inter College, under the aegis of Noida and Greater Noida Education Society emphasizes on imparting quality education and values to all the students. Our motto, "Be Thy Own Lamp" captures the essence of our spirit. In our school, children will gain an all-round education and achieve their potential not just in the academic field but also in the field of sports and creative arts.

Our school aims to give the students the courage to dream big, set high goals, and work diligently with justice, honour, and self-discipline. The commitment of our dedicated staff to excellence shapes the leaders of tomorrow. It enables them to cope up with the problems and challenges of their life.

The role of parents is very commendable in shaping the bright future of children and their consistent supports and cooperation will take our school to the pinnacle of grand achievements.

I express my gratitude to them for entrusting us to nurture and guide their children. Together, we will create a future that reflects our community's strength.

Wishing you all the best!

Dr. Rajeev Kumar
Principal
Gautam Budh Balak Inter College
K.P.-5, Greater Noida, Uttar
Pradesh

Earth Day Celebration

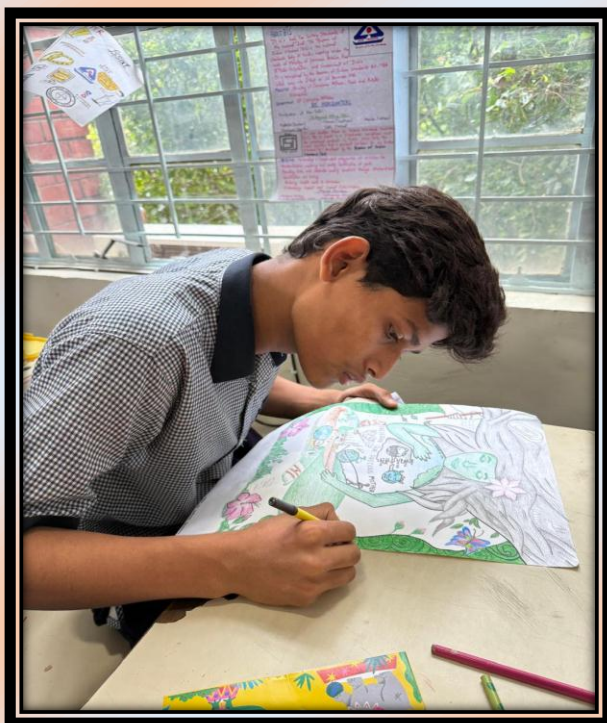

Our school organized a programme on April 22, 2025 to spread awareness of global environmental issues on Earth Day. A plantation drive was also held on July 26, 2025 to educate, inspire, and rally the community to create a sense of urgency to save our planet.

Mesmerizing songs were dedicated to our Earth, and wonderfully delivered speeches captured everyone's attention. The day concluded with positive vibes and a pledge to safeguard the environment.

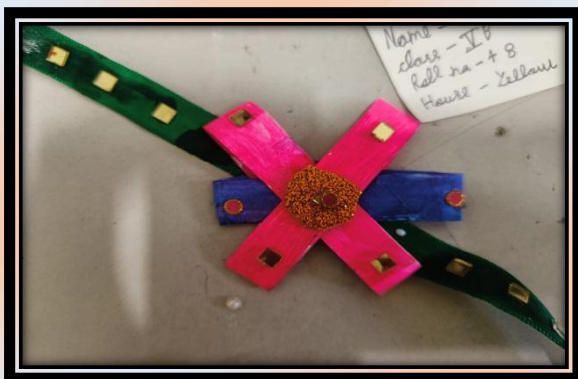

Poster Making Competition

To enhance creativity among students, a Poster Making Competition was held on August 25, 2025, in the school premises. The theme was "Importance of Good Health." The students showcased their hidden talent by making posters.

Rakhi Making Competition

Raksha Bandhan is one of the most endearing ways to celebrate the bond between brothers and sisters. To celebrate the occasion and to enhance students' creativity, our school organized a Rakhi-making competition on August 08, 2025.

Janmashtami Celebration

To seek the blessings of Lord Krishna on August 08, 2025 our school celebrated Janmashtami with great joy. The students came dressed up as Lord Krishna, Radha and friends of Krishna's childhood. The School was decorated with balloons, flowers giving the vibes of festivity.

The students were overjoyed when they broke the 'Dahi Handi' to grace this occasion. Dahi Handi is the most joyful game played on this occasion of Janmashtami. Special assembly was conducted to make the students aware of the preaching of Lord Krishna. Some beautiful dance performances were presented by the students of primary section. The day proved to be a beautiful divine journey for the students.

Teacher's Day

Teacher's Day is Celebrated on 5th September 2025 with immense enthusiasm. The students get an opportunity to show gratitude, which strengthens the bond between students and teachers.

On this occasion the students expressed their views on the importance of teachers and their contribution in the society through speeches, songs and cultural performances.

Children's Day:

Our school celebrated Children's Day on November 14th Nov. 2025, honoring Jawaharlal Nehru's birth anniversary and his affection for children. All the students were full of enthusiasm. Many activities were organised to make the day memorable for them. They enjoyed a lot of fun-filled activities. It was a wonderful day where smiling faces and joyful songs filled the air.

PACE

IIT. MEDICAL

PACE IIT & Medical Joins Hands with Gautam Budh Balak & Savitri Bai Phule Inter Colleges

Gautam Budh Balak Inter College and Savitri Bai Phule Inter College have collaborated with PACE IIT & Medical to provide free in-school coaching for students aspiring for IIT-JEE and NEET.

For 11th & 12th Students -Engineering/Medical

For aspiring engineers and doctors, this program prepares students for national-level exams like **Boards, JEE Main, JEE Advanced** and **NEET**.

Students study **PCM** or **PCB** aligned with their school curriculum, streamlining their preparation and eliminating the need for separate tracks.

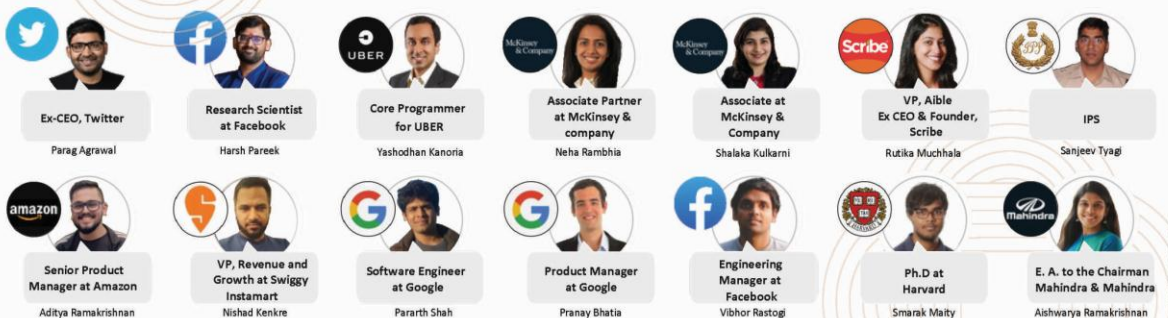

For 9th & 10th Students – Foundation Builder

Aligned with **NEP 2020** and promoting STEM-based experiential learning, this program builds a strong foundation in **Science (PCB)** and **Mathematics, including Mental Ability** and **Vedic Maths**.

It also prepares students for **JSTSE, KVPY, INMO, and Science & Maths Olympiads**, helping them make informed academic stream choices by Class 11.

(Program conducted within school premises under expert guidance from PACE IIT & Medical faculty.)

AADHARSHILA

Our school has established a unique lab named "Aadharshila", "a joint collaboration between The State Bank of India and the Greater Noida Authority. The inauguration ceremony was attended by distinguished guests, including Dadri MLA Mr. Tejpal Nagar and Greater Noida Authority ACEO Mrs. Prerna Singh (IAS). The new lab features project models, virtual reality (VR) headsets, and interactive activities designed to help students improve their skills in technology, science, and space.

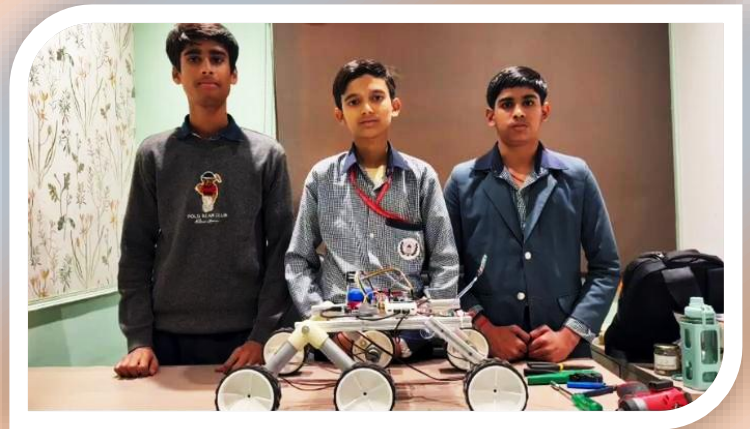

SPORTS FACILITIES (BY HCL)

Dribble Academy Foundation (DAF), in partnership with HCLF under the banner of sports for change initiative, has started the High performance center Basketball Program at our school. This initiative is fully supported by HCL Foundation, which has a longstanding relationship with the school. DAF with the support of HCL Foundation provides a dedicated Coach for the school. It also provides Equipment, Merchandise, Nutrition and Basic Support to participate

STEM LAB

Our school's STEM Lab is a vibrant centre of innovation and creativity, where students explore, experiment, and excel in Science, Technology, Engineering, and Mathematics. Equipped with state-of-the-art tools and technology, the lab fosters critical thinking, problem-solving, and collaboration skills, empowering students to become future-ready leaders and innovators.

FACTORY TRIP

Our school organized a factory visit to SPN cylinder LLP on 14 July 2025 for students of Class 10th. The visit provided a unique opportunity for students to witness firsthand the application of theoretical concepts in a real-world setting. During the visit, students observed the manufacturing process, interacted with industry experts, and gained insights into the latest technologies and practices. The visit was both educational and enriching, helping students to bridge the gap between classroom learning and industrial practices.

EXCURSION & EDUCATIONAL TOURS

Excursion and educational tours to various places are organised by the school every year as an extracurricular activity respectively for both the Primary Wing and the Senior Wing, to explore knowledge pragmatically what they have been taught in classrooms.

SPORTS DAY

Sports Day was organized on December 12th and 13th, 2025, in the school playground. The event commenced with a lamp-lighting ceremony led by the Chief Guest, Dr. Chandra Kumar Singh, Director of the Noida and Greater Noida Education Society. This was followed by an impressive march past by students representing the four houses.

A variety of activities, including the 100-meter race, 3-leg race, sack race, relay race, and long jump, were organized. The students participated with great enthusiasm, performing exceptionally well and winning multiple prizes.

In his address, the Chief Guest emphasized the value of sports in fostering discipline, teamwork, and holistic development. He motivated the students to maintain a healthy lifestyle by continuing their participation in fitness and sporting activities.

The event concluded with the singing of the National Anthem, instilling a sense of pride and unity among everyone present. Overall, the celebration successfully highlighted the spirit of sportsmanship and the vital importance of physical fitness in a student's life.
